PORTA STOPPERS

MAIS DESTAQUE NA
HORA DA OFERTA

Escolher uma boa opção para divulgação em PDV, traz resultados excelentes para as vendas.

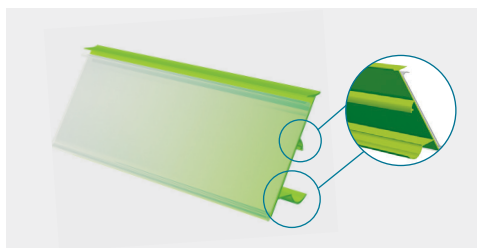

Os Porta Stoppers são ferramentas que possibilitam comunicar ofertas e promoções com clareza para o consumidor. Além de resistentes, são fáceis de instalar e manusear.

Manter preços visíveis na loja torna-se uma tarefa mais prática quando existe à disposição uma variedade de perfis disponíveis em diversas cores e modelos. São peças flexíveis e resistentes, que proporcionam facilidade na instalação e troca de preços em sua loja.
